30 fl oz. (887 mL, 31 oz.)

*** KEEP REFRIGERATED**

PRODUCT INFORMATION/PURPOSE

Rhizolizer[®] augments natural microbial activity in the rhizosphere of agricultural soils. It supports nutrient availability and crop nutrient uptake from the soil.

For professional, commercial, or industrial use only.

DIRECTIONS FOR USE

Apply at 1.5-6.0 fl oz/acre; up to 8 applications per growing season, depending on the crop and spray interval.

Rhizolizer can be applied to the soil through drip, micro-jet and center pivot irrigation. It may also be applied as a drench, in-furrow, or surface application. When surface applied, light incorporation or adequate moisture is required shortly after application to move Rhizolizer into the root zone.

Fill mixing tank to a minimum of 50% volume, begin agitation, add appropriate amount of Rhizolizer and Rhizolizer Starter, then fill with remainder of required volume. Continue tank agitation throughout application.

Rhizolizer should be used within 6 hours of mixing. Rhizolizer can be applied with some agricultural fertilizers and blends. Contact Locus AG to ensure product compatibility.

For best activity, apply in combination with Rhizolizer Starter. See that product label for application details.

Do not tank mix with or apply directly after agricultural fungicides, antimicrobials or UAN fertilizers. Not recommended for use as a fertilizer.

SHAKE OR STIR WELL BEFORE USE

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed in storage or disposal.

Storage: Keep refrigerated and store out of reach of children. Store in original containers only. Keep out of direct sunlight.

Disposal: Dispose of all waste in accordance with local, state, and federal regulations. Triple rinse all used containers and puncture and dispose of in accordance with federal, state, and local law.

Spills: Clean up with spill kit, wash away excess fluids, and dispose of collected solution according to federal, state, and local laws.

KEEP OUT OF REACH OF CHILDREN

Hazard Symbol: None **Signal Word:** None
Hazard Statement: This substance does not meet the criteria for classification as a dangerous substance.
Prevention Statements: Wear eye goggles and gloves. Avoid breathing spray.
Response: Wash hands after handling.

CONDITION OF SALE & WARRANTY Read the entire Conditions of Sale and Warranty before using this product. If these terms are unacceptable, return the unopened container at once. By using this product, user or buyer accepts the following Conditions, Disclaimer of Warranties and Limitations of Liability.

CONDITIONS: The directions for use of this product reflect the opinions of experts based on field use and laboratory testing. Always follow label instructions. Injury to the crop on which the product is applied may result from the occurrence of unusual weather conditions, or the failure to follow the label directions or good application practices, all of which are beyond the control of the seller. In addition, failure to follow label directions may cause injury to other crops, animals, humans, or the environment. All such risks are assumed by the buyer. **DISCLAIMER OF WARRANTIES:** NEITHER manufacturer Nor seller (the "providers") makes ANY express or implied warranty, AND BOTH providers DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN NO CASE SHALL either provider be liable to the buyer or user of this product for any INCIDENTAL, consequential OR special damages. NO AGENT OR EMPLOYEE OF a Provider IS AUTHORIZED to make any warranty or MODIFY this disclaimer.

LIMITATIONS OF LIABILITY: THE EXCLUSIVE REMEDY OF BUYER FOR ANY AND ALL LOSSES, INJURIES OR DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE PURCHASE PRICE PAID.
