

# LET'S MAKE ART

**SCHOLARSHIP  
OPPORTUNITY  
FOR JUNIORS  
AND SENIORS!**

Triangle Chemical Company is looking for a mural concept designed by a junior or senior FFA student for a wall mural in its headquarter office in Macon, Georgia.

The student who's art is selected will receive **\$5,000** in scholarship money from Triangle C.C. Along with a "meet the artist" plaque in our headquarter office beside the selected mural concept.

**TRIANGLE**  **CS**

# RULES & GUIDELINES

Triangle Chemical Company is a local, family-run business with four generations of family involvement. Established in 1947, Triangle C.C.'s roots run deep, and our team works diligently to meet the needs of our growers and the demands of the changing agriculture industry. We remain grounded by family values and southern tradition, and strive to continually strengthen the relationships we have with our employees, customers, and industry partners.

**Please review the rules and guidelines carefully.**

- **Triangle C.C. will select the art that they feel best represents the mission and history of the company.**
- Entries are due by midnight **Friday, December 13, 2024.**
- The contest is open to any current junior or senior class FFA member in the states of Georgia, Florida, North Carolina, Mississippi, and Arkansas.
- Entries may be submitted, in-person, by mail, or digitally by email.
- Mailed entries **must be postmarked by Friday, December 6th, 2024** to the following address:
  - Liz Maddux, Triangle Chemical Company, 117 Preston Court, Macon, Georgia 31210
  - **If you mail your artwork please package it correctly to prevent any damage.**
  - **If submitting digitally please email it to Liz Maddux at [ecmaddux@trianglecc.com](mailto:ecmaddux@trianglecc.com).**
- When submitting your artwork please include the following:
  - Member's First and Last Name, home mailing address, and contact number including the area code.
  - Member's FFA Chapter and FFA Advisor's First and Last Name.
    - **This may be done on a separate piece of paper.**
- The artwork should highlight the evolution and history of Triangle while also including elements of the agriculture industry.
- For example but not limited to, artwork can be submitted in sketch with color pencil, watercolor, acrylic paint, paper, canvas, etc.
- The artwork cannot be smaller than 8.5" x 11"
- The mural size will be 21 ft. 7 in. width by 7 ft. 11 in. height.
- The winning artists will be credited and recognized with a permanent plaque in Triangle's office along with announcements on social media and other digital outlets.
- By entering the Contest, you agree to give Triangle C.C. permission to use your artwork, name, FFA Chapter, and grant the use, reproduction, and ownership of the artwork to Triangle Chemical Company.
- **Triangle C.C. has the right to reject any submissions that fail to meet any guidelines.**

**For more information about Triangle C.C.'s history, we encourage you to watch our movie. You can watch [HERE](#) or at [www.trianglecc.com](http://www.trianglecc.com).**
